Dear friends,

As we enter the summer season we notice abundant growth and are perhaps reminded of Paul's words "I planted, Apollos watered, but God made it grow" (1Cor.3:6). It is a season when things happen, with or without our best efforts, even when we take holidays. It is a season when children get to run about in holiday clubs and play outside, if the weather lets them; which is perhaps another story or another analogy, depending on your perspective.

Similarly, with our Christian seasons. We enjoyed Easter, simultaneously the winter and spring of our soul. Now we see what the season of Pentecost brings, as God makes things grow. We dare to hope that He will visit our part of His vineyard in ever greater ways. We pray for increase wherever we have planted, watered, or even scattered a little of the gospel seeds and fruits of love.

However, our faith assures us that regardless of whether we see the increase, God is at work, and the greater reward is beyond sight. "So, we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal" (2Cor.4:18, see also Heb.11:1, 6). There are results that might only be known in eternity, and God is glorified in that.

As for us, our journey here below is temporary and just a part of the longer journey with Christ. Many have gone before us and we honour their memories, as even a short walk through the churchyard will show. We have gravestones, war memorials, and now a memorial stone marking an area for the scattering of ashes. Each represents lives, relationships, loved ones, seasons of life and fruitfulness, and a reminder of eternity.

Every life we touch has something to teach us. In turn, we have opportunities to plant, water, and nourish one another. Yet, let us never forget that it is God that makes it grow, to His own glory.

Your Minister and friend,

*Ross*

### Prayer Focus World Mission

God of peace, by your Son's dying and rising we have peace with you. We recognise the cost of that peacemaking and thank you that Jesus paid that cost.

We pray for partners and friends around the world working for peace. Strengthen and encourage those who challenge oppression, violence or injustice. Those who refuse to allow past hatred to dictate the future, and those for whom peacemaking is costly.

Give us courage to be peacemakers in our own situations, and a willingness to stand with those who work for peace. We bring our prayers in the name of Jesus, our Easter peacemaker.

Amen

## Resurrection!

So – the first full Passion Play in the history of Hamilton. A historic moment made possible by the support of many – so thank you everyone who was involved in or supported us in any way.

Around 1,000 people turned out on the day, the great number of whom stayed despite the bitter cold. The weather, for some, added to the misery of those final days. In a very small way, we suffered like He suffered.

Newspaper coverage was again good with a fantastic piece in the Advertiser – <https://www.dailyrecord.co.uk/news/local-news/hundreds-gather-witness-town-centre-12303976> - if you missed it; as well as features in other local press, Revival FM and Radio Clyde, who interviewed “Our Jesus” and ran the interview and details of the performance throughout the day on Easter Saturday. Support from the comms department at 121 was great, too. Each Easter they countdown to something and this year it was us! Each day throughout Holy Week they would tweet “Only x number of days to go until Hamilton Passion Play”. Wonderful encouragement.

I was delighted with the advertising package that was put together. It was fantastic to see the town centre churches work together to create one cohesive leaflet covering all services rather than a range of leaflets. A very public demonstration of our Christian unity. Hopefully you also saw the billboard on Townhead Street, another new way to get Jesus seen and talked about around town.

The Passion Play was linked to the evening services throughout Holy Week through the performance of monologues – each night one of the key actors from the play performed a monologue at the start of the service. We saw John the Baptist, the woman who anointed Jesus' feet, Peter, Mary Mother and Pilate throughout the week.

Something that hadn't been planned but ended up working really well was our series of “Talking Heads”. We filmed one person talking to camera and published it on youtube each night. Starting on Palm Sunday, Ross was filmed doing a short piece on what you might expect if you come along to the Passion Play. We then followed that with an excerpt of each night's monologue. Some of the clips had almost 300 views – a great way to reach those who can't make it along to each service.

It takes a lot of hard work from a wide range of folks to make something of that scale a success. Many of the folks who worked on this you will never be aware of. Each contributed in their own way to making this a very special event that took the Gospel message into the heart of our town.

I am surprised by how often we hear the question “what next?”. Well our first step will be to take some of the play to Heart and Soul – the celebration of the life of the church that takes place at the start of General Assembly. The temple cleansing will be performed in St Cuthbert's Church and then the Last Supper will start the closing worship. The enthusiasm of the organising team is fantastic – they are even hiring an additional stage so we have enough room for our very big last supper table. There will also be a marquee where we have opportunity to share what has taken place in the last two years.

It is wonderful to have the opportunity to show what Hamilton Churches have achieved as part of the national church event. If you would like to support this in any way we'd be delighted to have your help. If you could talk to folks with passion (forgive the pun) about the plays it would be great to have your support on the marquee.

Beyond that, we are looking at further opportunities to use drama to explore scripture. A meaningful and engaging way to bring the gospel to life – thank you for your continued support.

## Anchor Boys

We have come to the end of another busy session and at time of writing are looking forward to a surprise party . The boys have been very busy completing all their badge work and taking part in games and activities. On Sunday 13th May the prize giving will take place in the Church and the following awards will be handed over.

GREEN BADGE AND 1 YEAR SERVICE BADGE

Elliot Dickson  
Arron Hughes

RED BADGE AND TWO YEARS SERVICE BADGE

Gregory Blackman  
Blair McIntosh  
Caleb Nicol

BLUE BADGE, 3 YEARS SERVICE BADGE,  
CERTIFICATE OF ALL ACHIEVEMENTS  
COMPLETED AND PROMOTION CERTIFICATE

Stuart Davidson  
Reece Smith -  
(2 years service badge)

Boys aged 5 and in primary 1 will be made very welcome at the start of the new session in September, Kyle Blackman and Nolan Dickson are already looking forward to becoming Anchor Boys.

Stuart and Reece will be missed very much but we wish them every success as they go up to the Junior Section. Both boys have had excellent attendance records and have wholeheartedly taken part in all our activities.

Several members of the congregation have been very generous during the session and we extend our thanks for their kindness. Thanks too to the families who bring their boys along week after week.

*Nanette McLean*  
*Leader in Charge*

## Junior Section

We recently took the boys on an outing to Deep Sea World, North Queensferry. Our boys were joined by Reece & Stuart from the Anchor Boys, who will join us after the Summer break. All the boys enjoyed the visit, with the under water walkway being a particular hit, especially with the 2 Anchor Boys. We also bumped into a BB company from Lesmahagow when we went outside to see the Seals. We then took advantage of the great weather, and took the boys to Conifox Adventure Park, in nearby Kirkliston, where we had a Barbecue lunch at the Bistro at the entrance to the park. Following lunch, the boys thoroughly enjoyed the various activities, although it was a toss up whether the boys or Graham Horne had the most fun!

We recently issued our annual awards at a service in the church. The Junior Bible award was won by Charlie Finlayson who scored 22/25 whilst Calum Ewart won the Senior Bible award with a score of 27/30. Congratulations to both boys who did extremely well.

The May Walker memorial trophy for Best Attendance and the John Walker memorial trophy for overall Best Boy were both jointly won by Calum Ewart & Charlie Finlayson.

All the boys worked very hard throughout the year on their badge work. Charlie Finlayson earned his Junior Target badge, Nathan Leisegang earned his Bronze badge and Calum Ewart earned his Silver badge.

Finally I would like to thank Frank Gardiner, Graham Horne & Ross Smart for their work & support throughout the year. On behalf of all of us, we hope you have a great Summer and we look forward to welcoming the boys back in September.

## Boys' Brigade Company Section

### **Battalion 5-a-sides**

We entered a very competitive team for the Battalion Senior 5-a-sides. Without having sufficient numbers to enter teams in both the Junior and Senior competitions, a composite team of Euan Baird, Euan Davidson, Cameron McIntosh, Euan Parkes, Colin Davidson, Lewis Chisholm and Cameron Baird played in the Senior event. Most of the games were very close, and the younger boys did really well against older opposition. The team finished joint second, which for a composite team was a great result.

### **Battalion PT and Vaulting**

The team this year comprised Euan McIntosh, Euan Baird, Euan Davidson, Cameron McIntosh, Euan Parkes, Colin Davidson and Lewis Chisholm. They built on the experience gained last year, and finished a very creditable second in the PT and matwork, and third in the vaulting. Thanks are due to Graham Horne for coaching the team and teaching the boys the PT moves and vaults. His enthusiasm and encouragement of the boys is tremendous. Equally his teaching is great– it's just the demonstrations that give me the heebie jeebies!

### **Battalion Masterteam**

In the Battalion Masterteam competition the combined brains of Euan Davidson, Colin Davidson and Lewis Chisholm faced testing quiz questions on General Knowledge, Sport, Entertainment, Bible Knowledge and Boys' Brigade Knowledge. Again we had a young team, but they acquitted themselves extremely well finishing fifth overall.

### **Badges**

All of the boys have done well this session completing their badges from the BB Discover programme across all areas in the programme including Community, Recreation, Skills and Christian Faith. They deserve huge credit for their commitment, conduct, enthusiasm, and willingness to do whatever has been asked of them.

### **Church Service and Presentation of Awards**

The Company held its Church Service and Presentation of Awards on Sunday 13 May 2018. Mr Dan Smith very kindly agreed to present the awards and trophies. Dan is a former member of 229th Glasgow based out in Cambuslang. With his own BB background he has always taken a very keen interest in the work of our own Company, and his support is hugely appreciated. For the Company Section the deserving winners of the awards presented were:

Mrs J M Mackechnie Recruit Challenge Medal	<b>Colin Davidson</b>
James Alston Dykes Indian Challenge Medal for General Efficiency	<b>Euan Davidson Colin Davidson</b>
John Allan Award for Most Improved Boy	<b>Euan Baird</b>
Junior Bible Exam Challenge Trophy	<b>Colin Davidson</b>
Misses Jamieson Senior Bible Exam Challenge Trophy	<b>Euan Baird</b>
Mr & Mrs A Harley Squad Challenge Trophy	<b>David Chisholm Colin Davidson Cameron Baird</b>

President's Badges were presented to our three senior young men:

**David Chisholm, Ewan McIntosh and Euan Baird**

The President's Badge is the second highest award in The Boys' Brigade. It is achieved only when the boys have completed to the highest level all of their badges within the Discover programme, and a Battalion Young Leaders' Training Course. Gaining the award requires regular B.B. Attendance, determination, good character, commitment and perseverance – all qualities displayed by David, Ewan and Euan since joining the B.B. and the Company Section. They thoroughly deserve their President's Badges, and the award of the badges to them means they can now embark on their Queen's Badge work.

**Company Thanks**

We have almost reached the end of the session with just the Expedition work to be completed. On behalf of the Company I would like to thank our Chaplain Ross Blackman for his support and encouragement during the year, and Helen Simpson for her help with the hymns and planning our Service. Special thanks are due to the lads who helped with the readings and prayers at the Service: Callum, Nathan and Charley from the Junior Section, and Cameron and Colin from the Company Section. They conquered their nerves and made a tremendous contribution to our devotions. Thanks are due as always to Andrea Davidson in the Church office for all of her help throughout the year, and the additional help she gives compiling and printing the Orders of Service for our BB Services. Without her that would be somewhat of an "administrative challenge"!!

Our Liaison Elders, Alex Stoddart for the Anchors, Andrea Davidson for the Juniors, and Louis Munn for the Company Section, continue to provide an essential link between the Company and the Kirk Session, strengthening further the bonds that already exist. Thank you too to all the families of the boys for encouraging their attendance and participation in all of the Company's activities. Thank you especially to our congregation, for unstinting support and encouragement. We never take it for granted, but equally we know we can always rely on you. Huge thanks are due as always to the officers and staff who continue to give so freely of their time and talents, helping, teaching and inspiring the boys through the Anchors, Juniors and Company Sections. Finally, and most importantly, thanks are due to the boys for their attendance, hard work, enthusiasm, for the fun and enjoyment they bring, and for making what we do so worthwhile.

### Fellowship Committee

Since the last Tidings, a Spring Concert was held in the Church and, despite not being particularly well supported by the congregation, managed to raise the sum of £500, which was applied in support of the Passion play. Thanks go to those who did support the event.

The Easter breakfast went well, with around 60 people enjoying the rolls and sausage, with the remaining sausages being donated to Hamilton Churches Drop-in Centre to provide a hot meal for the visitors.

Unfortunately, due to the small number of names put forward, the golf day has had to be cancelled. Maybe better luck next year.

Our next planned event will be the bowls day, which will be on 16 September, so please note the date.

As usual, our thanks go to everyone who supported our efforts .

*Iain McLean*  
Convener

### Stewardship and Finance

At the March session meeting the 2017 accounts were approved by the Trustees. For the second year in a row we have recorded a surplus in our General Fund which meets the day to day running costs of the church. Increased income came largely from members' offerings which have increased by almost 20% over the last two years as well as an increase in associated Gift Aid tax claims.

The surplus for the year was £27,787 which has been achieved through a combination of increased income and careful monitoring of costs.

Restricted funds showed a surplus of £14,351. These are funds which we cannot use for everyday costs but have been restricted by the donor for specific purposes. We also have Fabric funds, one held locally and another held by the General Trustees which can only be used for major Fabric expense.

Under the Gift Aid Small Donations Scheme we can claim up to £8,000 on donations of £20 and below where there is no Gift Aid declaration in place. Offerings in the plate allowed us to claim an additional £2,000 from HMRC which has now been received.

I understand not everyone received a copy of the accounts at the Annual Stated meeting, so if you wish a copy please either ask Andrea in the office or myself and we will ensure you receive one and if you have any questions I will be more than happy to try and answer them.

Thanks are due to Alan Blue who produces the accounts each year.

### Property Committee

The lighting in the Church car park has been repaired and upgraded.

The war memorials that were erected in St Andrews Parish Church have been relocated in our front portico and will be rededicated by our minister.

One of the memorials is originally from Brandon Street Church that closed in the 1970s and the other from Avon Street Church which was renamed St Andrews when it joined with Brandon Street.

LED lamps have been installed in the chandelier and gallery wall lights.

## Monday Club

We are looking forward to our outing on June 4th to the Devil's Porridge museum, at Easttrigg. We leave the Church at 10.30 and will call into the Gretna Outlet village for a comfort break/teas/shopping, before we proceed to the museum.

On the way home, we call into the Solway Lodge hotel for a meal, then return home to Hamilton, for approx 7.30pm. As I write we have a full bus load, as several friends from the Church are joining with us. Hopefully we get a nice day.

I would like to send our best wishes, to my vice-president Alasdair, who is to undertake chemo treatment, so to Alasdair and Carole; from all your friends in the club, we are thinking of you both, at this time.

*Charlie Duguìd*

## Saffronhall Singers

Our choir is now enjoying a well earned break, as summer activities take over. It was a very enjoyable session, with good attendances at weekly rehearsals and two very successful concerts. Dates are already in the diary for next year.

Our practices resume on Monday 17th September.

Best wishes to all for the summer.

*Campbell Barr*

## Choir

Choir completed their current session of weekly meetings in early May. We will however continue to present Introits and Anthems until the end of June, preparing at our morning meeting prior to Sunday worship.

Rehearsals during the early part of the year were hindered, over several weeks, by inclement weather and illness, and we seem to have reached the end of the current session very quickly.

We were again able to support worship for the Link Committee service, which took place this year at the end of March. The full choir also took part in the services during Holy Week at Cadzow Church, leading worship on a mid week evening.

During the month of May, we wished two of our "senior" nonagenarians a very happy birthday. Mr Peter Condie and former member Miss Retta Mullen have both been involved in Choir over many years, and are very much part of the choir family.

We all now look forward to warmer days and lighter evenings, to recharge the batteries, after a long winter.

The new session of choir will start on Wednesday 5th September at 7.00 p.m. and music folders will be ready for collection on Sunday 26th August.

*Helen C. Simpson*  
*Organist*

## Old Kirk Dancers

We have just finished another successful season with a steady number of members attending each week under the tuition of our teacher Alison Robertson. During the season the class has attended dances in Lanark, East Kilbride, Stonehouse, with a weekend dancing in Pitlochry.

Our new season starts on 11 September 2018 at 7.45pm to which all are welcome.

*Irene Mathieson*

**Guild**  
**One Journey - Many Roads**  
**Year 1 - Seeking the Way**

The Guild met in April to prepare a syllabus for the coming session.

The past year has been difficult with many members unable to join us for health reasons.

The weather was also a big factor which kept members housebound. I hope to report in next Tidings.

In the meantime enjoy the “summer” break and I look forward to seeing you all on 3 October.

*Avril Boothroyd*  
*Coordinator*

**World Mission 2018 Stamp Appeal**

The appeal this year is for the Reformed Church in Trancarpathia (Ukraine) which helps to run a number of day care centres which provide educational, emotional and physical support for children and young people with disabilities. The World Mission Stamp Appeal will support the young people to live life in all its fullness, and to enjoy opportunities to participate in society and family life.

Please help by bringing your used stamps to Church and giving them to the Office or giving them to Nessie Garrett.

**Prayer**

Heavenly Father,

In every season of life and eternity  
 we meet challenges and fresh outlooks.  
 You have arranged the cycle of life  
 and the cycles of creation,  
 and each in turn  
 bring you praise and glory.

Whatever we meet  
 today, this week, month, year,  
 or this season of the soul,  
 help us reflect  
 on your presence with us.  
 You have given us each other.  
 You are the one who makes things grow.  
 You are the one who brings the increase.  
 Yet, we are not given to complacency  
 as you expect us to plant and water,  
 each in due season.

May you be glorified  
 in all we think, say, and do.  
 Amen.

### EASTER TIME...

We had a great day with the youngest group of children at Easter. We brought 20 of the smaller children over to our house, and we had a really fun and full day.

We have used our home in the past and still want to be able to bless the children we work with by bringing them to where we stay and having fun packed day camps throughout the year.

We started the day off with breakfast, then had a small Bible study, then had a craft activity. After the sitting down part of the day, we played games and ran around for a good while. We had a barbecue with the kids, then sat down again and watched a great little explanation of what Easter time is all about on Youtube, the kids loved it. While they were watching, some of us were outside setting up a treasure hunt for sweets inside plastic eggs. They had a great time looking for them...

### OUR NEXT PLANS...

In our last letter, we expressed how critical our support levels were, and a number people have come on board to help us. We really want to thank you who have stepped up to help us. God will bless you for this commitment, and we thank you.

We are now planning an emergency trip to the UK and are going to be there for six months (July-December). During this time, we hope to visit a number of churches, and need new ones to visit too. With spending six months there, our target is to raise our support level to at least 90% of our budget (which is now at 48%).

**Philippians 4:17 - "Not that I am looking for a gift, but I am looking for what may be credited to your account."**

When we read this verse, we see that the Apostle Paul wasn't interested in the offering, but in how the people would be blessed if they gave. The people that give towards a missionary have their credit raised before the Lord! What a privilege!!

Our main concerns at the moment are how to get there, where to stay, schooling for our children and whether we will have transport or not.

If anyone can help, in any way, please don't hesitate. We depend on you to figure out how to get ourselves set to go.

God bless!!

Robert, Silvana, Vinny, Rafael, Marianne and Helena!

During my time in hospital and since coming home, I have been overwhelmed by the kindness and support I have received from so many people. My sincere thanks too for all the cards, flowers, prayers, phone calls and visits, which have been a great source of pleasure and encouragement. I still have a long way to go, but hope eventually to return and be with you all again.

Many, many thanks and God bless.

*Betty Smith*

I would like to say a heartfelt thank you to everyone here at the Old Parish for their love and support following the passing of my Dad. The flowers, cards and kind messages were greatly appreciated.

A special thank you to Ross for his care and support which he gave to myself and my family at this difficult time. It was a great comfort to us all.

*Andrea Davidson*

### An Appreciation

I would take this opportunity on behalf of my sister, May, brother-in-law John and myself to thank all those who firstly asked after our Mum during her stay in Monklands and Stonehouse Hospitals. Your telephone calls, letters, cards and concerns expressed in conversation were greatly appreciated.

The family have been grateful for your thoughtful messages of support since Mum passed away on 12 April. Again your letters, cards, telephone calls and emails have shown the high regard in which our dear Mum was held by so many.

We took great comfort from the fact that so many showed their respects by attending the Church Thanksgiving Service to Celebrate her Life. Indeed some who could not be present took time to email and call to intimate their apologies which was appreciated.

I would take time to mention two people on particular. Firstly our Minister, Ross Blackman. Mr Blackman was a regular visitor to Mum prior to her admission to hospital and visits continued after admission. His thoughtful prayers and concern were appreciated by all. Mum was also thankful for the numerous visits from her Elder, Malcolm Macintyre, who showed a genuine interest in her well-being. Thank you both gentlemen.

We thank you for sharing in our sad loss.

God bless to you all.
